Pres. Andrew
Schroeder

President Andrew dragged his feet as long as possible before calling the final meeting of his presidential year to order. He didn't have any earthshaking announcements to share although he did note that Craig (21 years), Abby (5 years) and Brad (9 years) celebrated their Rotary anniversaries in June! Pete did managed to work in that our Pulled Pork Dinner will be on October 8th this year (although, surprisingly, he did not work in that it is Columbus Day!). Andrew did remind everyone that our club is still collecting donations for a SAFE T Home.

Sergeant Cody collected many happy dollars from members who were happy about President Andrew's successful year and in anticipation of incoming president Lisa's year leading our club! Abby thanked everyone for their work on the auction (final numbers are still being, well, finalized), especially

Centennial Committee Update

The Centennial Committee met last week and Dave and Lisa shared that for our next meeting (which won't be until July 11th) the committee assignments should be ready. They have been considering options for an engineer (not a train engineer, the other kind) for the project and they met again with Travis Stevenson of the Boone and Scenic Valley Railroad to go over some aspects of the projects just yesterday.

Paul Harris Fellow Recognition

Past president Pete (the chair of the Paul Harris committee) recognized four members with Paul

Cody and Amy for all their work co-chairing the event and "cataloging" all the donations received (which is a huge undertaking). Several members were also happy about the recognition the recipients of Paul Harris awards. Brian gave Cody \$60 (but got a few dollars

Harris Fellow awards on Wednesday. The club has donated \$1000 each to the Rotary Foundation in recognition of the outstanding service of Cody (Paul Harris plus 5), Abby (PH+3), Lisa (PH+2), and outgoing Pres. Andrew (PH+1). Congratulations to these great members on this well-deserved recognition!

It is amazing what you can accomplish if you do not care who gets the credit.

ROTARY YEAR IN REVIEW

President Andrew shared his appreciation for all the help and support club members provided over the past year. He highlighted that our club presented over \$11,000 in college, vocational, and RYLA scholarships along with supporting the IMPACT food pantry (\$500), the Ki Hi Kapper (\$500), Boone National Little League (\$300), YMCA support of Partner with Youth (\$1500), HRTA (\$500) and we also provided a new bench (and helpers to install it) at Sacred Heart playground. We had successful fundraisers including the Pulled Pork Dinner and Luau for Rotary Auction and the evening Rotary Club continues to grow, resulting in significant growth in

our overall membership over the past year. Incoming president Lisa presented a plaque to Pres. Andrew to express the club's appreciation for his outstanding leadership this past year. Well done, President Andrew!

Congratulations on a great year, Andrew!
