Meeting Recap

President Andrew called the meeting to order and reminded everyone that there will be a board meeting at Boone Valley Brewing on Monday (around 5:15—all are welcome) and that our meeting next week will be at Cedar Pointe Golf Club instead of the Historical Center. Dave seemed to have a pretty good head county but if you have not told him that you are bringing a guest, please do so. Thanks!

Andrew also welcomed Bob Anderson of the Ames Morning Rotary Club (they meet at 7:00 AM on Wednesdays at the Ames Country Club). Bob was on hand to present a check to our club for our support of their Kids Run 4 Kids fundraiser. He asked that

we use it to support Police and Literacy initiatives in our community—which is how they use the funds in Story County as well!

Lisa shared that the Summer Reading Kick off at Ericson Library was a big hit. Thanks to Lisa, Jane, the Herrick's, and Dakin's for helping out with this event. The glitter-laden butterflies were a

big hit!

Sergeant at Arms

Phil paid a dollar to share with Matt that he is now living in his "third, final home"! Jeff enjoyed getting together with one of the GSE team members who went to New Zealand with him in 2011. Brian was happy that his daughter sang at the Civic Center again and Andrew was happy about the great turnout at

the Dose's for Matej's going away party. Thanks to the Dakin's, Dose's, and McPartland's for serving as Matej's host families this past year (it seemed to go fast). Hutch and several other members were happy to see our area youth at our meeting (the RYLA students).

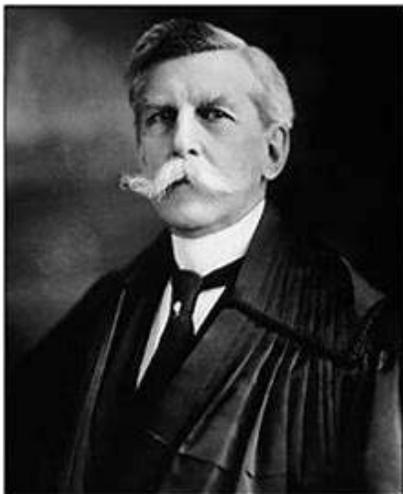

ROTARY:
MAKING A
DIFFERENCE

QUOTE OF THE WEEK

Through our great good fortune, in our youth our hearts were touched with fire. It was given to us to learn at the outset that life is a profound and passionate thing.

RYLE-Rotary Youth Leadership Awards

Several years ago RYLE transitioned from a one day conference to a weeklong "camp" held on the campus of Grinnell College. Susan shared that what RYLE "is" is somewhat hard to explain, but it is primarily a program to help emerging young leaders develop their leadership and teambuilding skills, working in close collaboration with other RYLE attendees, youth counselors, and Rotarian leaders. This year our club is sponsoring six students, four of whom were able to be with us on Wednesday along with their parents. Those in attendance were Rory (11th) and Sean

(12th) McDermott and Taylor Renze (12th) of Madrid and Lindsey Snakenberg (12th) of Ogden. Several of the students shared that learned of RYLE from friends who attended the camp last year and that they had told them about the positive experiences they had. Susan said that all outbound RYE students from our district are required to attend RYLE (Isidro already had before he was selected). Susan has served as a Rotary leader at RYLE and shared that this year Steve and Lesley Dakin will be doing so as well!
