Meeting Recap

President Lisa called the meeting to order and welcomed everyone who made it the meeting on another very nice day. Sign up sheets for the Iowa Games Cycling Road Race and RAGBRAI stand were passed around (both events in the rear view mirror at the time of this writing). Steve and Troy chaired the RAGBRAI stand which is looking to raise funds for the WORLD BIKE RELIEF. Lisa noted that we have a Square credit card reader so that donors can pay by credit card

if they wish! The Evening Club purchased watermelon to give to riders as a “come on” to get them to visit our stand along with free water bottle fill up!

GET WELL CARD

Lisa passed around a card for Jim Riordan who is recuperating after his recent heart surgery. Get well soon, Jim! Lisa also noted that she has a few extra Rotary shirts if anyone would like another one. Polo shirts are \$36 and t shirts are \$20. Susan mentioned that one of the RYLA students had

to withdraw right before this week’s conference but our club will be credited for the scholarship so it can be used for another student next year.

Lesley mentioned that Steve was looking for help with setting up the SUKUP Safe T House but it turned out that employees from SUKUP took care of it after all!

Sergeant at Arms

Craig filled in as Sergeant at Arms he chipped in a happy dollar for the great response for the road marshals for the Iowa Games bike race. Jamie mentioned the survey Ericson Library is conducting an important survey relating to the library’s facilities and services. You can access the survey on the Ericson Library website (it can be found near the upper left corner of the page—or at least it was on

my computer!). Several members had missed some meetings but were happy to be back (Sara, Vicki, Jamie, Phil, and Jane). Phil was happy to have celebrated his 40th anniversary and to have had a nice trip with all his kids and grandchildren “out West”. George was happy to have Mary as his driver on Wednesday and Randy was happy to have

celebrated his mother’s 90th birthday last week. Brad was hoping that Boone would win the sub state game against Humboldt (and they did) and Susan really enjoyed seeing Hamilton with the tickets she won at the Rotary auction!

Centennial Project Committees

Dave had the members break up into their respective committees to begin planning and work on various aspects of the Locomotive entry feature project. From the buzz in the room it sounded as if there was a lot of good discussion and ideas being tossed out. Work will

continue in the coming weeks as months as strive to make this concept a reality in time for our Centennial year!
