Meeting Recap

President Lisa welcomed everyone to our last meeting at the Historical Center. She reminded everyone that our meetings starting next week will be held at Cedar Pointe Golf Club. She passed around the signup sheets for September greeters, Pufferbilly Days parade participants, and Highway Litter Pick Up volunteers and it looked like there was a good response for all of them! Cody shared that he received a thank you note at his office (but he forgot to bring it) from Landra Reece for a Rotary Scholarship and Lisa passed around a thank you note from Jamie Williams on behalf of Ericson Library for our recent donation and from Alex Merk for our assistance in harvesting at

the Community Garden a few weeks ago. Lisa also noted that steering committee for our Centennial Project was meeting later Wednesday afternoon to continue the planning for our Locomotive entry feature project.

Board News

Lisa reported that the board has decided to sponsor the Coffee with a Cop meeting at the Bakery on Saturday October 20th. She also reported that the date for next year's auction will be June 28th. The board also approved the purchase of banners to promote our upcoming Pulled Pork Dinner and our Centennial Project (for using in the Pufferbilly Days parade and to place around town to increase

awareness of our event). She also noted that PETS (President Elect Training Seminar) will take place in Ames next year and the board is helping to sponsor this event along with Ames AM and Noon clubs (and possibly Nevada).

SAFE T HOME

Lisa shared that we are still trying to raise enough money to purchase a SAFE T HOME. We have received \$400 of the approximately \$1750 we need to raise locally so far. If you would like to contribute to this project please make out checks to the Boone Rotary Club Community Service Fund. We would like donations in by September 24 if possible. Thanks!

Sergeant at Arms and Other News

Sergeant Matt paid a happy dollar for his oldest child turning 5 this week and Andrew paid \$8 in honor of his 8th anniversary. He noted that he will be in Wisconsin at this time next week—probably enjoying a “Busch latte”! Craig was looking forward to the new meeting location at Cedar Pointe and George was happy too because he is already at the Cedar Pointe playing card in the morning so he won't have to “relocate” for the meeting! Mary was happy that she was surrounded by such “good singers” and Doug

was happy that Andrew's picture is n longer on the wall. Tim was happy because his daughter said “yes to the dress” at Modern Bride and Steve paid tribute to the late Sen. John McCain.

meeting jointly with the evening club. Chris Knapp will also be speaking Monday evening September 17 about the Rotary Foundation. We will still meet on September 12th but we may not meet on September 19th due to the possible joint meeting on the 17th. Lisa will let us know if the meetings will be at Cedar Pointe or the Tic Toc next week.

Meeting Date Changes

Looking ahead, DG Tom Narak's club visit will be **MONDAY** evening **November 19th** so we can

PULLED PORK KICK OFF

Pete and Mary shared that our Pulled Pork Dinner is approaching fast—only slightly more than a month away on October 8th. Tickets are now available and Pete noted that the Boone County Pork Producers have once again very graciously agreed to donate the pork for our event. Their sponsorship is noted on the back of the tickets and will be shared with signage at the event as well. Pete will see if we can get into the Community Building to set up on the Sunday the 7th but he did note that help is always appreciated “all day” Monday if anyone can be there early. He would like members to be there by 4:00 pm to make sure everything is

set to go when the doors open at 5:00 pm. As has been the case in the past, each member is asked to bring at least two (uncut) pies or desserts to the dinner as well. Please (please, please) be sure to let the pie baker in your household know about this before 9:00 pm on Sunday. Just sayin’...

Help will also be needed on Tuesday morning to do some final clean up and to return various items to where they need to go. The key to the success of this event is SELLING TICKETS—so start asking people now. Also, if you are on Facebook, be sure to share the post from our club about the Pulled Pork Dinner with your friends.

SEE YOU AT CEDAR POINTE NEXT WEEK!
