Meeting Recap

President Lisa called the meeting to order and welcomed Mandy Gustafson of iHome Realty who was visiting once again. She passed around some cute, handmade thank you cards from Ogden third graders expressing their appreciation for the dictionaries they received. Thank you to Tish Germer of the Evening Club for presenting the dictionaries in Ogden! Lisa shared that Tony is out of the hospital and back to work but he is still getting his strength back. Jim Riordan is still recuperating at rehab facility in the Des Moines area but hopes to be

home by the end of this month. Keep getting better, guys!

Lisa mentioned that our club was coordinating a candidate forum for area candidates on Thursday evening at DMACC that was moderated by Jim Turbes of KWBG. Lisa also mentioned that the District Foundation Dinner will be held in Des Moines on November 3rd. Carl Chinnery, a past district governor and polio survivor will be the keynote speaker. She also said that the Rotary Leadership Institute meeting will be held at the offices of Shive-Hattery from 8:30 to 3:30 that

same day. She noted that the cost of this training session is \$85 but the board voted at the last meeting to pay for the registration of any members who would like to attend.

COFFEE WITH A COP
Lisa reported that our club was hosting Coffee with a Cop on Saturday morning October 20th. In addition to providing the donuts for this event we will also be presenting a “big check” to the Boone Police Department for the Shop with Cop program.

RIDE TO END POLIO

Last year several members of our club participated in Rotary's Ride to End Polio. District 6000 raised the most money of any district in the universe and our club raised the most money of any club in our district—so both our District and our club appear on a plaque at RI Headquarters in Evanston! This year's “ride” will take place on November 17th and

Vicki is making the spinning bikes at the YMCA available for members to use again this year. Last year Amy actually coached the session and it sounded like she may help us out with that again this year. You can raise money by the minute or “per ride”—whichever works best for you! The goal for District 6000 this year is \$16,000

Lt. James Beardsley, Boone Salvation Army

Tim Trudeau introduced Lt. James Beardsley of the Boone Salvation Army. Lt. Beardsley shared that he comes from a Salvation Army family—his parents are the Commanders of the Des Moines Salvation Army and he noted that Tabitha Knuth, the previous commander in Boone, is actually one of his cousins! He considers Michigan “home” although he has lived in South Dakota, Iowa, and Indiana. Prior to coming to Boone he joked that he “did some time” in Leavenworth, KS which was his first posting as a commander. James “passion” is music, which he noted is a HUGE part of the tradition of the Salvation Army—notably English-style brass bands. He has taught music and served as a regional music coordinator for the Salvation Army as well. He shared that he has composed music as well and has a piece being published later this year. He talked about several of the Salvation Army’s program locally including their social service programs, a representative payee program (assisting families with handling the payment of their

bills), and operating a food pantry. He did note that the guidelines for the pantry changed recently so families can make use of the pantry once every 30 days instead of every 60—which has made them just about twice as busy. They also have a program called Pathways of Hope designed to move families from “crisis to self-sufficiency” that has been very successful. Lt. Beardsley shared that this year’s red kettle campaign is coming up very soon and he expressed his appreciation for our club once again volunteering to ring to support this project!

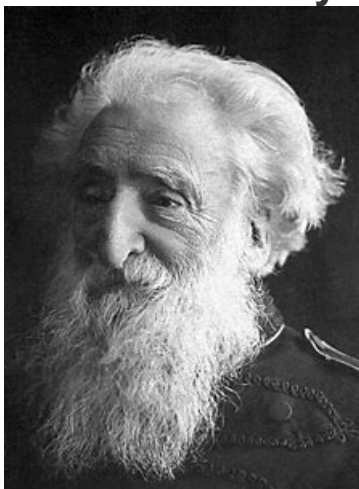

Susan (who works for the Salvation Army) and Tim Trudeau along with Lt. James Beardsley

QUOTE OF THE WEEK

Work as if everything depended upon work and pray as if everything depended upon prayer.

**William Booth,
Founder of the
Salvation Army**

Presenting a "big check" to members of the Boone Police Department to support Shop with a Cop
