Meeting Recap

President Lisa called the meeting to order and welcomed Mandy Gustafson of iHome Realty who was visiting as her guest. Lisa suggested that Mandy would be a great Rotarian, noting that she has actually sold more tickets to the Pulled Pork dinner than she has! Lisa noted that the District Foundation Dinner will be held in Des Moines on November 3rd. Earlier that day there will also be a Rotary Leadership Institute meeting if anyone is interested in learning more about all things Rotary! Susan shared that the dedication of the Polio

statue (that appeared on the cover of this month's District newsletter) may take place that day at Blank Children's Hospital. They will keep us posted as the details become available.

COFFEE WITH A COP

Lisa reported that our club is hosting Coffee with a Cop on Saturday morning October 20th. In addition to providing the donuts for this event we will also be presenting a "big check" to the Boone Police Department for the Shop with Cop program.

Centennial Project Update

Dave provided an update

on the Centennial Project. He shared that he met with representatives of the Iowa DOT to update them on their progress last week. One of the things that came out of the meeting was the possibility of locating the train on either the northeast (by the dental office) or southeast (by the park and ride) corner of Highway 30 and Story Street. Dave noted that the northeast corner would appear to be logistically advantageous—possibly reducing the cost of site preparation by a significant amount!

Sergeant at Arms and Other News

Troy shared that the Evening Club is moving ahead with a new literacy project that will involve giving every Boone County second grader a new book every month! Dave and Pete were impressed by the new Bomgaard's store. Pete did get some help from other members in his quest for buying new shoestrings! Craig was sad about the Cardinal's collapse but happy

about the Cubs' (collapse). Steve shared that the Zone Meeting in Erie, PA was very good. He said that Bill Gates has asked RI President Barry "what's next?" for Rotary after Polio is eradicated—because he wants to continue to partner with us going forward! Matt paid \$10 to cover all the Fareway references that came up during the

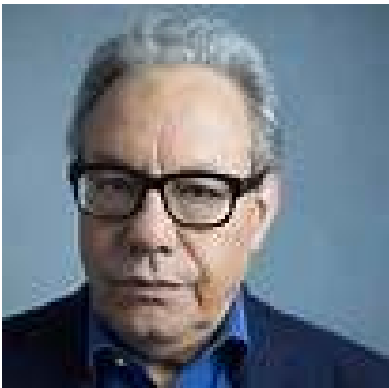

meeting. Becky reported that Tony is doing better but is still recovering from his lung problems. Get well soon, Tony! Vicki had a great cruise—and didn't think of us at all and Brian is going to be gone next week (as we all will be, because there is no regular meeting) for a meeting in New Orleans!

QUOTE OF THE WEEK

You can never put too much pork in your mouth as far as I'm concerned.

PULLED PORK DINNER

Pulled Pork Chair Pete (say that three times fast!) reported that we have had 232 tickets sales reported so far. He is procuring food for 600—so we have some work left to do! Set up for the dinner will take place at the Community Building at 4:00 PM on Sunday October 7. We will set up the tables and fill at least 400 little containers for barbeque sauce. On Monday Pete, Matt, and Jane will be there fairly early in the day to continue getting the rest of the set up completed (feel free to come out lend a hand during the day if you are

available). If you can get there by 4:00 on Monday to get ready for when we open the doors at 5:00 that would be very helpful. **Also, everyone needs to bring two desserts/pies!** On Tuesday Pete will also be taking things back (roasters, etc.) so if you are available at all that morning he would appreciate the help as well. Let's have a great event Monday!

REMEMBER, THERE WILL BE NO REGULAR MEETING NEXT WEDNESDAY!
