Chair

December 12  
Andrew Schroeder,  
Program Chair

Pres. Lisa Mount

RI Pres. Barry Rassin

Jeff Anderson, Editor

Carla Gomez Tello  
Tellez—RYE Student

## Meeting Recap

President Lisa called the meeting to order and passed around a thank you note from the parents of RYLA participant Lindsey Snakenberg for giving their daughter the opportunity to participate in this life changing experience. Lisa also shared that the board has approved making a contribution of at least \$500 (perhaps \$1000) towards the Tanzanian water project that was presented to our club a few weeks ago. It was also shared that Chuck Long will be at Ericson Public Library on November 27<sup>th</sup> along with Aaron Putze (who spoke to our club a few

weeks ago about soybeans) who wrote a biography about his life.

### SAFE T HOME UPDATE

Lisa reported that members have contributed \$1200 towards our \$1700 goal for the construction of a SAFE T Home that would go to Haiti. If you'd like to make a contribution Lisa asked that members do so in the coming week or so. The club will match individual member donations up to at least \$1700 and there is another match on top of that—so each dollar donated by members will magically become \$4!

### PULLED PORK UPDATE

Lisa reported that it appears we will clear about \$4000 for the Pulled Pork Dinner this year—down from about \$6500 a year ago. The weather may have conspired against a bit but pre-sale of tickets was down considerably as well. Lisa shared the board has decided that next year each member will be assessed for ten tickets (besides the one we are assessed for our own meal). She did also report that Megan and Andrew have agreed to serve as co-chairs for next year's event!! Thanks for stepping up!

### SERGEANT AT ARMS

Andrew was in a volunteering mood on Wednesday so Lisa tapped him to serve as our Sergeant at Arms. Dave paid a dollar for ISU's success and another for KSU's lack thereof. Brian paid a dollar to remind everyone that we are still in need of two additional host families for Carla. He also found out that his grandfather's sister

actually taught at Boone High back in the 1920's and had Bill Curran's dad as a student! Jamie paid a dollar to promote the Jefferson Rotary Club's upcoming auction and George was happy to be back with us after missing the previous three meetings. Welcome back, George. Phil was also glad to be

back after missing a few meetings. His dad took a fall a broke some bones so he had to see to him of late. The Ride to End Polio on November 17<sup>th</sup> was also promoted by Lisa along with DG Tom Narak's club visit which will take place Monday evening Nov/ 19<sup>th</sup>.

## CENTENNIAL PROJECT WORK DAY

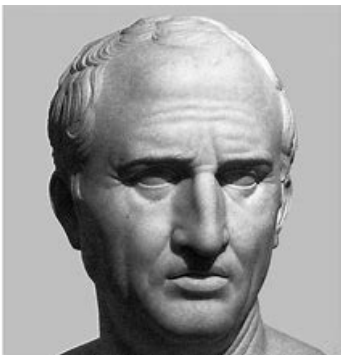

Dave Cook reported that the ISU Civil Engineering Club will not be helping out with our project after all so we will need to contract with an engineering firm to assist with the necessary survey work and site prep planning. Dave then had the members in attendance break up into their respective

committees to work on site prep planning, fundraising, and public relations/awareness work. There will be additional opportunities to meet during meetings in the future but committees were encouraged to find times to get together outside our regular meeting times to keep the ball rolling!

### QUOTE OF THE WEEK

Justice consists in doing no injury to men; decency in giving them no offense.

Marcus Tullius Cicero, Roman Statesman---106-43 B.C.

See you next week!
