Carla Gomez Tello  
Tellez—RYE Student

## Meeting Recap

President Lisa our weekly meeting to order and welcomed George Maybee's #2 son, Michael, who works in Boone...North Carolina! Lisa passed around the signup sheet for November greeters and she noted that a signup sheet for Salvation Army Bell Ringing will be available starting next week. This year's bell ringing day will be on Thursday Dec. 6<sup>th</sup>—about one month away (hard to believe!).

### SUKUP SAFE T HOME

Lisa shared that donations for the Safe T Home were due by November 10<sup>th</sup>. Thanks to everyone who

Happy dollars on Wednesday were contributed by Susan who said the Foundation Dinner was very inspiring. Dave was a bit frustrated with the licensed Rotary vendor who produced two new signs for the billboard with all the service organizations displayed that came back with "Boon" spelled wrong despite having been

contributed towards this great project that will help a family in Haiti.

### RIDE TO END POLIO

Time is flying by and the ride to end polio is scheduled for next Saturday. If you'd like to ride with a group, Amy Pollard is teaching a spinning class at the YMCA at 8:00 AM next Saturday the 17<sup>th</sup>. Susan did say that DG Tom Narak has "hinted" that he may look the other way if someone actually rides less than the full hour—and that even sitting on the couch and thinking about riding a bicycle may suffice! The important thing is the donations to support the effort to

eradicate polio once and for all. Susan did say that for the first time since Rotary's effort began it appears that there was slight uptick in the number of new cases—but the overall number is still in the 20's. We just need a few more people immunized in the remaining areas (Afghanistan and Pakistan) and a little bit of luck, but donations for this final push are still needed (and matched 2:1 by the Gates Foundation).

### SERGEANT AT ARMS

proofed and approved with correct spelling! Randy is definitely taking credit for ISU's quarterback (Brock Purdy) at this point and George was happy to have his son visiting. Steve talked about some metal Rotary yard/garden signs that are being made available by the Jefferson Rotary

Club (he displayed one at the meeting). Mary was celebrating her anniversary and Phil was happy the election ads are done for now. Dave was also happy that Pete Kostelnik finished running from Alaska to Key West is 98 days—averaging around 55 miles a day (over 5400 miles in all!). Whew!

## Diane Hinderaker, Boone County Probation

Eldon Hutcheson introduced Diane Hinderaker who is the executive director of Boone County Probation (Eldon serves on their board by the way!) They are a private, non-profit entity that has provided adult and juvenile probation services in Boone County for 33 years. Diane shared that in the last year they have worked with over 200 individuals who have received probation as part of their sentencing for various offenses including OWIs, drug offenses, domestic abuse/violence as well as a number of other offenses. Their mission is to enhance community safety for the community while facilitating positive changes in both the adult and juvenile offender. Diane shared that Boone police officers Charles Pepples, John Slotter, and John Mayse serve as their probation officers. Diane's background is in social work and she helps those who have received probation with accessing services they need to try and prevent reoffending such as drug and alcohol counseling and job

training along with other supports. She noted that in 2016/17 they worked with 222 clients and 86% had no new charges upon completing the requirements of their probation. Individuals given probation pay \$35 a month (for 10 months) to help cover some of the cost of the services they receive—other sources of funding include grants and donations.

Diane Hinderaker, Exec. Dir. of Boone County Probation with Eldon Hutcheson

### QUOTE OF THE WEEK

The health of a democratic society may be measured by the quality of functions performed by private citizens.

Alexis de Tocqueville, 1805-1859

Steve showing off Jefferson Rotary's yard signs--or perhaps his District Gubernatorial staff! Either way, pretty cool!
