## Meeting Recap

Pres. Lisa called the meeting to order and reminded everyone that there will be a board meeting next Monday (the 11<sup>th</sup>) at Boone Valley Brewing beginning just after 5:00. All members are welcome to attend! She also reminded everyone about the flyers for the Kids Run for Kids—some of the proceeds of which help fund our contribution to Shop with a Cop and our various literacy-related projects.

Steve noted that helpers are still needed to shepherd attendees around at the PETS training in Ames next Friday and Saturday.

Matt collected happy dollars from Mary Youngblood who was celebrating her 26<sup>th</sup> wedding anniversary and from Jeff who was celebrating his birthday, Hutch was also celebrating his anniversary and after doing some math in his head decide it must be about their 58<sup>th</sup>! ## QUOTE OF THE WEEK

I am not ashamed to confess that I am ignorant of what I do not know.

## Centennial Project Planning

Before breaking up into our respective groups, Dave shared that our overall fundraising efforts have been very positive but we still have a ways to go. We are about \$5000 away from reaching the level we need to receive Fareway's full \$25,000 matching grant and then we will still need about another \$20,000-30,000 beyond that (assuming no surprises in the cost of the project). He noted that B&SVRR will begin painting the equipment in the near future and work is underway on developing the site plan (which will allow a much more precise estimate of the actual cost of the project). Susan noted the Jennifer Jones will be our

speaker (former RI VP) and that she has been working on getting updates from many of our former RYE students—sort of “where are you know” type information that can be shared at our Centennial Celebration on May 1. She has also arranged for a pianist and harpist (yep, spell check says it's the right word!) to perform that evening as well. If you or your business are contemplating making a donation to the project please return the pledge form (Dave has more if you need one) as soon as possible.

## SEE YOU NEXT WEEK!
