Tellez—RYE Student

Meeting Recap

Pres. Lisa called the meeting to order and reminded everyone that the District Conference is coming up in just a few weeks. Registration is available online at the District 6000 website. Lisa noted that several club members will be presenters on panels at the District Conference! There is a board meeting on Monday at Boone Valley Brewing starting at 5:10. Hans Pollard (noon) and Lisa Cook (evening) are up for approval by the board as the newest members of the Boone Rotary Clubs (third notice).

Lisa noted that it is only

Sergeant Matt collected a happy dollars from Sara for the Centennial and because she has a "big mouth". Cody paid a dollar for the educational value of Facebook and table conversation and Vicki concurred! Vern wished Tim well on his upcoming mission trip to Latvia and

two weeks until our Centennial Celebration at the Boulders Inn and Suites on May 1st. Mary and Pete need to have a head count for the caterers by Monday so please let them know if you plan to attend (and your choice of entrée). You can register (and pay) for our celebration on the Boone Rotary website!

AUCTION UPDATE

Our focus has been on our "next" party (the Centennial Celebration) but our Rotary Auction is coming right up in June. Vicki encouraged everyone to be diligent in contacting the donors on your list. The "deadline" for turning in donations (in order for them to be

included in the program) is May 10 which is only about three weeks away! Mary shared that there are two special packages being put together that she is looking for help from the entire club on. One is a microbrewery beer sample (featuring different beers from around the country/world). She indicated that she already has "Spotted Cow" from Wisconsin and another one from St. Louis. The other is for scratch off lottery tickets that will be bundled into a lottery package!

SERGEANT AT ARMS

Dave appreciated the outpouring of support from around the world to rebuild Notre Dame Cathedral in Paris. Troy was happy that he still had money in his pocket despite sitting at a table with three bankers (Hans, Randy, and Pete). Lisa was proud of our club "movie star",

Vern Condon, who was featured in the documentary on the Ledges that was shown at the Boone Theatre last weekend. Several shows were close to sell outs! Steve, Mary, and Lisa were also on KWBG earlier this week to share about our upcoming Centennial!

BE THE INSPIRATION

QUOTE OF THE WEEK

The power of imagination makes us infinite.

John Muir
Conservationist
1838-1914

Centennial Planning

Mary and Pete share a few items relating to our upcoming Centennial Celebration on May 1 at the Boulders. They will be there most of the day in advance of the celebration getting things set up and they encouraged an members who might have the opportunity to stop out and lend a hand, even if it is only for an hour or two, to please do so. Flowers will be delivered in the afternoon that will need to be placed on the tables and the lobby will be set up with a display of various Boone Rotary memorabilia and items of historical interest! We will also be having cake and it would be great if someone could stop out around 4:00 to “cut the cake”! Steve is trying to arrange to have a Sukup Safe T Home erected for the event—possibly inside the meeting room so attendees could experience it up close! The beer that Boone

Valley Brewing has been brewing especially for our centennial will be ready in time for our celebration as well. Susan has met our speaker and says she will be “great” and she is working with Pres. Barry Rassin on a video congratulatory message for our club!

After the report on our Centennial Celebration the group broke into subcommittees to discuss the fundraising, logistics, and grants we are working on for our locomotive entry feature. To date we have contributions and commitments of close to \$150,000 and it is estimated that we may need upwards of another \$20,000 to complete the project. Any members who have not already done so are encouraged to consider making a contribution to the project in recognition of our club’s Centennial Celebration.

HAPPY EASTER!
