## Meeting Recap

Pres. Lisa called meeting to order on absolutely hideous day (ok, it was it perfect) and welcomed back George Maybee. John Kregel made sure George made it to this week's meeting as he and Mary will be moving this coming week to Iowa Falls to live with his son, Tim.

George has been a

Sergeant Matt collected many dollars in recognition of the many years of service George and Mary Maybee have provided to our club and our community! Cody noted that USBANK is donating four tickets to the Iowa-ISU football game (in Ames this year) for our

member of our club for about 40 years! Best of luck to George and Mary as they transition to this new phase of their lives!

Lisa shared that the Kids Run for Kids is this Saturday (hoping for good, or at least not rainy, weather). Our club has about 40 participants registered which is GREAT! Matt noted that there about 126 runners registered so far. Lisa also reminded everyone that the District Conference is May 2-4. You can still register for this event online. There will also be a Centennial Steering Committee meeting on Monday April 29<sup>th</sup>. Lisa also passed around thank you notes from Madrid second grade

auction! Steve has an additional appreciation for Iowa's infrastructure after traveling to Texas last week and Dave Cook was looking forward to taking Carla to the District Conference next week. Vicki has a fourth grandchild on the way and Hutch was impressed by "the

teachers and students expressing their appreciation for the books they received with the Literacy Project!

### CENTENNIAL CELEBRATION UPDATE

Next Wednesday May 1 there will be no regular noon meeting because we will be celebrating our club's 100<sup>th</sup> anniversary that evening at the Boulders Inn and Suites. Mary and Pete will start getting things set up around 9:00 that morning so if anyone has the opportunity to stop out and lend a hand any time during the day it would be much appreciated!

Pollard girl's" talk about Boone High cheerleading at Business After Five last night. Randy peeled off \$67 in recognition of his birthday (Happy birthday was sung—quite well I might add) and Doug was "just happy" that Randy has made it this far!

## Pres. elect Vicki's Club Assembly

Pres. elect Vicki provided a look ahead at the upcoming Rotary year. She noted that our incoming district governor will be Erna Morain of the Waukee Rotary Club and President of RI will be Mark Maloney of the Decatur, AL Rotary Club. Next year's theme will be "Rotary Connects the World"! Vicki noted that she has been working closely with Pres. Lisa as well as Matt who will follow her as club president in 2020-2021 as she prepares for the coming year. She highlighted some of the major accomplishments of the past year which include the growth and success of the Evening Rotary Club (which has brought our total membership in the Boone clubs up to 53!) and our very successful Pulled Pork Dinner and Ride to End Polio (we were the top fundraising club in the top fundraising district for this project).

Some of the goals Vicki would like to see our club achieve are identifying an active membership chairperson, attracting additional female members and members

under 40 (although we won't turn away any old dudes!) and creating "Welcome to Rotary" packets for new members and establishing a more formalized new member orientation process. In addition we will continue to focus on some of our local service projects and club fellowship. Sounds like Vicki is well prepared to lead us forward in another successful Rotary year!
