MEETING RECAP

Pres. elect Vicki called the meeting to order in Lisa's absence on Wednesday. Vicki was happy to report that Kurt and Jamie have agreed to serve as co-chairs for the Auction publicity committee and she shared a thank you note from Ben Heeren of Ogden who is one of this year's scholarship recipients. Vicki thanked everyone who helped out with the Summer Reading Kick Off last Monday at Ericson Public Library. The bookmarks were a big hit so we'll do them again but the tattoos...probably not.

Sergeant Matt chipped in a happy dollar for successfully moving into their new home and several members were happy to have our RYLA scholarship recipients with us. Vicki was happy to have survived helping out handling her granddaughter's 4H sheep (she was impressed with how her "city girl" daughter wrangled some

Boone Evening and Noon Rotarians at the Summer Reading Kick Off

CENTENNIAL PROJECT WORK DAY

Last Sunday nine members of the Noon and Evening clubs worked on preparing the passenger car for sandblasting. We made a lot of progress and despite a few cuts, punctures, and hematomas it does appear that everyone survived! You can check out the video from Channel 5 News featuring Dave Cook on the club Facebook Page.

pretty large critters! Dave was hopeful that Channel 5 would make it to the sandblasting prep of the passenger car (they did!). Troy was happy about all the noon and evening club member who helped out with the Summer Reading Kick Off and Train Project this past week. Jeff

suggested that perhaps once Rotary completes our mission of eradicating polio we might want to consider taking on tetanus given the experience of some of the volunteers on the train project last weekend!

QUOTE OF THE WEEK

If a man does not keep pace with his companions, perhaps it is because he hears a different drummer. Let him step to the music which he hears, however measured or far away.

RYLA STUDENTS and AUCTION PREP

Susan introduced this year's RYLA Scholarship recipients—Caroline Shelton who will be a senior at Ogden and Akela Salter who will be a junior at Boone. Caroline was accompanied by her friend Angelica Moody and Akela's was accompanied by her mother, Merrideth Martin and her grandmother, Rosie Stone. We will hear back from them after their experience at RYLA later this summer!

AUCTION PREP

Everyone was encouraged to get any auction donations turned in and to let Mary, Cody, and Vicki know what they are (including the donor sheets) as soon as possible. Raffle tickets (which will be a 50/50 raffle this year) are available for \$10 a ticket as are tickets for the event itself (\$20 a ticket). Cody noted that we have four tickets to the Iowa/ISU football game in Ames, a signed helmet from Matt Campbell, and an Iowa Hawkeyes neon sign. There is also a dinner for 20, Ruth Thompson will make a custom "t shirt quilt", and there are also four tickets to the DMACC Culinary event. We need bottles of wine for the "wine grab" (turn them in to Jamie at the Library) and Mary is still looking for unique beers and scratch off lottery tickets. Mary is also donating a Boone Amazing Race package featuring a combination of "minute to win it" games, amazing race type activities, and a Boone photo scavenger hunt for up to 16 participants which is a super fun activity!

SEE YOU NEXT WEEK!
