Virtual Meeting Recap

Due to the significant uptick in COVID cases the board elected to resume virtual meetings for the time being—so we got together online this past Wednesday. Matt shared they will continue to monitor the situation in coming weeks to determine when it is deemed safe to resume in person meeting once again. Matt “led” the group in our Rotary anthem. While we’d like to blame the sound quality on the limitations of

ZOOM....yeah. Pretty painful.

Board Meeting Update

The board also met virtually on Tuesday and voted to approve a \$200 grant for Boone and Greene County Probation for educational materials. They also worked on the bylaws which they hope to share with the club on November 25th which will then be approved by the membership during our December 30th

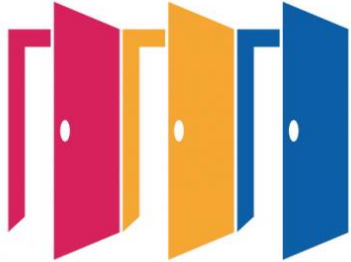

meeting. We will also hold our club election that day. Matt did note that the board is contemplating adding a Financial Secretary position in addition to the Club Treasurer position. He also shared that the Evening Club is going to distribute two books to each of the kids participating in the Shop with a Cop program.

HAPPY DOLLARS!

Steve, Dave, Susan, and Lisa were happy about the Rotary Foundation virtual luncheon last Saturday. They were particularly impressed a Rotary Scholar named Simone from Clinton. Susan also shared that District 6000 is one of the ranked districts in per capita giving to the Rotary Foundation.

Hutch shared a message during the meeting that he and Ann were being released from the hospital after having contracted COVID. They are both feeling better which is wonderful news. Steve shared that Matt, our last Rotary Exchange student and his mother

also had COVID but fortunately their symptoms were also mild and they too are feeling better.
